1. **Property rental**, where you rent a complete vacant property, furnished or unfurnished. This is ideal if you arrive in Singapore and are willing to move in with friends or other students. This accommodation choice is best made after your arrival in Singapore only as it may take a few days before you move in. It makes sense to form a group of those willing to take up a whole unit and then view options at hand.

- The general costs involved with this includes one month rental refundable deposit, one month rental upfront and a half month towards an agent commission.

Cost

- Generally ranges from S\$1800 to S\$5000/- for 2-3 bedroom units (per month)

2. **Room rental**, where you take a room at a property where other people already live. You may be living with students, families or others who live nearby and have a spare room. Property rental or share housing can be furnished or unfurnished.

Cost

- Single room: S\$500 to S\$1500 (per month)
- Shared room: S\$400 to S\$800 (per month)

3. **Homestay**, where you generally live with a family and meals are provided. This option is always furnished with expenses included.

Cost

- S\$750 – S\$2000 (per month)

34. Living Expenses

- Apart from accommodation & course fees, you must also budget for various living expenses.
- On average, you should budget at least \$700 to \$900 per month for food, transport, entertainment and other miscellaneous needs.
- These vary according to individual lifestyle and spending habits.

The following is an estimate of expenditures you should factor into our financial calculations:

Items	Estimated Expenses
Hand phone Bills(Local Calls)	S\$25/month
Food	S\$300/month
Transport (Bus & MRT only)	S\$3/month
Leisure & Entertainment related Activities	S\$100/month
Accommodation	S\$400/month

- Private clinics provide outpatient medical services and there are often a few private clinics within a neighborhood.
- Operating hours vary from clinic to clinic, but most of them operate from 9am-1pm, 2pm-4pm and 7pm-9pm on weekdays and 9am-1pm on weekends. There are a few 24-hour clinics around but charges are relatively more expensive (double charge after midnight).
