■ DEAR COLLEAGUES AND ESTEEMED READERS,

I am delighted to welcome you to the 14th Journal Release of our esteemed organization. This release stands as a testament to our enduring commitment to providing safety training, education, innovation, and knowledge sharing. I am pleased to bring to you some of the information that I like to share with all our EA Journal readers.

■ TRAINER FUN MEET: A NIGHT OF LAUGHTER & TOGETHERNESS

The Trainer Fun Meet took place on October 16, 2023, at the Clover Room in the Civil Service Club at Bukit Batok. The event was a delightful evening, thanks to Eversafe Academy's full-time trainers. It began with a warm welcome speech, emphasizing the importance of building strong bonds within the Trainer family and expressing gratitude to the trainers.

The event featured fun games that brought out the inner child in the participants, creating laughter and unforgettable memories. The highlight was the Lucky Draw, where lucky winners received fantastic prizes, reminding everyone of life's surprises. The evening also included a delightful dinner where colleagues and friends shared stories and enjoyed a great meal. It was a perfect opportunity for relaxation and bonding.

The Trainer Fun Meet celebrated the strong bonds within the team, emphasizing the importance of joy and connection in professional lives. It left a lasting impact, and everyone looks forward to future gatherings to strengthen the Trainer family spirit.

■ ENVIRONMENTAL CLEANING: COMMITMENT TO A GREENER TOMORROW

Eversafe Academy organized a successful environmental clean-up event for the second time in the year 2023 on October 14, 2023, with 52 volunteers. The event aimed to promote environmental awareness and involved Eversafe Academy staff, alumni, the public, and ongoing students. Four teams were formed to clean and rejuvenate different areas around Eversafe Academy. The event began at 10.00 a.m. with an orientation emphasizing safety, eco-friendly practices, and ecosystem protection.

The teams split around the Eversafe Academy campus as per their team arrangements around 10.30 a.m. and completed their clean-up by 11:30 a.m. visibly transforming the areas. The participation from the team is appreciable. The event ended with a ceremony, where participants received certificates and eco-friendly goody bags as tokens of appreciation and reminders of sustainable living.

The Eversafe Academy Green Clean-up Event showcased the positive impact of collective action on the environment, promoting community, responsibility, and environmental consciousness. It not only cleaned the surroundings but also inspired a commitment to a greener, cleaner future.

■ BLOOD DONATION DRIVE: LIFE-SAVING

Eversafe Academy's ongoing collaboration with the Singapore Red Cross Society in coordinating blood donation drives is a significant and commendable effort. On October 28, they successfully conducted another blood donation event. The 6 individuals who selflessly donated their blood have played a crucial role in saving lives and enhancing the health of those in need of blood transfusions. In addition to certificates from the Singapore Red Cross, Eversafe Academy also presented appreciation certificates and goody bags to all participants as a token of encouragement for their life-saving contributions. Eversafe Academy's continued commitment to these initiatives underscores their unwavering dedication to the well-being of the community and the welfare of others.

■ ONLINE EXAM: TECHNICAL ADVANCEMENT

Eversafe Academy is gearing up to implement online assessments as part of the WSHC initiative, marking another significant step in the integration of technology into safety training. We have recently acquired 40 new tablets, and we will utilize our existing 20 tablets, totaling 60 tablets, for the initial phase of the pilot run. This pilot program is scheduled to commence on November 16, 2023, and will be rolled out for the following courses:

- *Construction Safety Orientation Course - Recertification Assessment (CSOC-RC)*
- *Apply Workplace Safety and Health in Construction Sites (AWSHCS)*
- *Apply Workplace Safety and Health in Logistics and Transportation (AWSHLT)*
- *Apply Workplace Safety and Health in Shipyard (AWSHS)*

**DIWALI:
FESTIVAL
OF LIGHT**

We are in the month of celebrating Diwali. "May the festival of lights, Diwali, bring brightness and joy into the lives of our cherished staff, dedicated trainers, enthusiastic students, valued customers, and our well-wishers. Eversafe Academy wishes you a Happy Diwali filled with prosperity, good health, and the warmth of togetherness. Let the light of this festive season illuminate your path and lead to greater success and happiness."

■ EA JOURNAL: ONLINE SUBSCRIPTION

Dear Valued Readers, we extend our warm invitation to you to become subscribers of the EA Monthly Journal today, granting you access to a realm of knowledge and growth. To commence your subscription, kindly visit [Subscription Link] and follow the provided link. Subsequently, you will receive notifications from us every month upon the release of the latest journal. We deeply appreciate your participation in our community.

■ CONCLUSION

Our collective wisdom is our greatest asset, and I'm grateful for the hard work that has gone into this journal. I encourage you to dive into its contents and continue to support and inspire one another. Thank you for your contributions and for being a part of our journey.

BEST REGARDS,

EVERSAFE ACADEMY

5. EA HAD CONDUCTED **FREE SPOKEN ENGLISH CLASS FOR 15 MIGRANT WORKERS ON 22ND OCTOBER 2023.**

Elevating Workplace Safety and Health in Singapore: MOM takes the Lead

WORKPLACE SAFETY & HEALTH REPORT, JAN-JUN 2023

Table 1: Number of workplace injuries, dangerous occurrences and occupational diseases, 2021-2023

	1H 2021	2H 2021	1H 2022	2H 2022	1H 2023 ^P
Workplace Injuries¹ (Workplace Injuries [N] ²)	6,486 (11,271)	6,280 (10,915)	6,101 (10,444)	6,474 (11,322)	6,347 (11,222)
Fatal Injuries	23	14	28	18	14
From WRTA*	4	2	4	3	2
From Non-WRTA	19	12	24	15	12
Major Injuries¹ (Major Injuries [N] ²)	316 (316)	294 (294)	298 (298)	316 (316)	308 (311)
Minor Injuries¹ (Minor Injuries [N] ²)	6,147 (10,932)	5,972 (10,607)	5,775 (10,118)	6,140 (10,988)	6,025 (10,897)
Dangerous Occurrences	7	6	13	14	12
Occupational Diseases (OD)	333	326	332	720	671

* Work-related Traffic Accident (WRTA)

► Introduction:

Workplace safety is a paramount concern in Singapore, and the Ministry of Manpower (MOM) has recently released statistics highlighting their efforts to enhance safety standards. In the first half of 2023, there were 14 workplace deaths and 311 major workplace injuries. While these numbers have improved compared to previous periods, MOM recognizes the need for targeted interventions to further reduce workplace accidents. This blog will delve into MOM's initiatives and the sectors they are focusing on to ensure a safer working environment.

► Improvements Since 2022:

MOM's heightened safety measures, implemented between September 2022 and May 2023, have yielded positive outcomes. The number of deaths and major injuries has decreased from 18 deaths and 316 injuries in the second half of 2022 to 14 deaths and 311 injuries in the first half of 2023.

► Focus on High-Risk Sectors:

Despite improvements, MOM remains concerned about specific sectors, namely construction, transportation, storage, and manufacturing, which collectively accounted for 13 out of the 14 deaths in the first half of 2023 and 62% of all major injuries.

► Construction Industry:

In the construction sector, MOM identified that small and medium-sized enterprises (SMEs) faced more challenges in ensuring workplace safety. Addition, alteration, and renovation works contributed to 67% of all workplace deaths and major injuries in this sector during the first half of 2023. To address this, MOM is working with relevant agencies and industry partners to raise safety standards for contractors involved in smaller-scale construction work. Additionally, they will increase inspections at smaller construction sites.

► Manufacturing Sector:

In the manufacturing sector, MOM identified metalworking as a significant contributor to major injuries, with 43% of all workplace deaths and major injuries originating from this sub-sector in the first half of 2023. To combat this, MOM plans to prioritize inspections at metalworking worksites.

▶ **Demerit Point System:**

Despite improvements, MOM remains concerned about specific sectors, namely construction, transportation, storage, and manufacturing, which collectively accounted for 13 out of the 14 deaths in the first half of 2023 and 62% of all major injuries.

▶ **Enforcement Operations:**

MOM is conducting enforcement operations in high-risk sectors, focusing on vehicular safety, working at heights, and machinery safety. This proactive approach aims to mitigate workplace accidents by ensuring compliance with safety regulations.

▶ **Leading Causes of Workplace Incidents:**

MOM highlighted falls from height and the collapse or failure of structures and equipment as the leading causes of workplace deaths in the first half of 2023. Slips, trips, and falls were the top causes for both major and minor injuries, followed closely by incidents involving machinery.

▶ **Occupational Diseases:**

The first half of 2023 saw an increase in workers developing occupational diseases, including noise-induced deafness and musculoskeletal disorders. MOM attributed this rise to the expansion of an enhanced workplace health surveillance program.

▶ **Singapore's Safety and Health Goal:**

With an annualized fatality rate of 0.8 per 100,000 workers in the first half of 2023, Singapore is on track to meet its goal of having less than one death per 100,000 workers by 2028. Only four countries have consistently achieved such a low fatality rate, with Singapore ranking fifth.

▶ **Conclusion:**

While improvements in workplace safety have been achieved, MOM remains committed to further enhancing safety standards. Their targeted interventions and focus on high-risk sectors demonstrate their dedication to creating a safer working environment for all. As Singapore works toward its goal of achieving one of the lowest workplace fatality rates globally, it emphasizes the importance of building a safety culture within organizations, beyond just implementing measures and fines. MOM's continued efforts will undoubtedly contribute to a safer workplace in Singapore.

**THANIKACHALAM RAMESHKUMAR
HEAD – ACADEMIC DEPARTMENT
EVERSAFE ACADEMY PTE LTD**

A PRECIOUS LIFE

A well-known speaker began his seminar by holding up a new twenty-dollar. In the crowded room, he asked if anyone would like to have their \$ 20. Hands in the rooms began to rise. He crumpled and crumbled the \$20 and asked the crowd if anyone was still interested in receiving the bill.

His hands were still raised to indicate that people still wanted the crumpled \$ 20. At that point, he dropped the bill to the ground and started crushing it on the ground with his shoe. He got, presently folded and grimy \$ 20. “Does anybody despite everything need the \$ 20?” However, the hands were brought up noticeable all around. The speaker stated: “Today we have all taken in a significant exercise. Regardless of what I did, you wanted it since it hasn’t lost its worth. “ “Many times in our lives, the decisions we make and the circumstances that come our way let us fall, huddled, and sunk in the ground. We can feel useless; but no matter what happens or what happens, it will never lose its value. “

MORAL

Dirty or clean, wrinkled, or finely bent, we are priceless. The value of our life does not derive from what we do or who we know, but from who we are.

YOUR LIFE WORTH MORE THAN ANYTHING IN THIS WORLD!

► Thank you for being part of our EA Journal community!

It's hard to believe it's been a year since we embarked on this journey together. Over the past 12 months, the EA Journal has been a source of inspiration, knowledge, and growth for our readers. As we wrap up our first year, we'd like to express our gratitude for your unwavering support.

► Reflecting on Our Journey

In our inaugural year, we've explored a wide range of safety-related topics, shared insights from industry experts, and brought you the latest trends and best practices in the field of safety. We've strived to be your trusted source for safety education and awareness, and we're proud of the community that has grown around the EA Journal.

► What's Ahead

As we move forward into our second year, we are committed to continuing our mission of enhancing safety standards across various industries and sectors. We'll bring you even more valuable content, expert insights, and opportunities for networking and growth.

► Subscribe Today & Stay Connected

We encourage you to stay connected with us through our website, webinars, workshops, and events. Your feedback and engagement are invaluable to us as we work together to make the world a safer place.

If you haven't already, now is the perfect time to subscribe to the EA Journal. Don't miss out on the valuable content and community that awaits you.

**THANK YOU ONCE AGAIN FOR YOUR SUPPORT AND FOR BEING A PART OF THE EVERSAFE ACADEMY FAMILY.
WE LOOK FORWARD TO ANOTHER YEAR OF SAFETY, LEARNING, AND GROWTH TOGETHER.**

With warm regards,
The EA Journal Team
