Class Size

Maximum 18

Key Person In-charge

Mr. Monish V (General Manager – Corporate Support Division)

Supervise Metal Scaffold in Marine Industry (SMSMI)

Course Fee Inclusive of GST

S\$ 425.10

Assessment Advice

1.5 hours of written test (WT) 6.5 hours of Practical Performance (PP). The passing mark for WT is 65% while for PP, learner will be assessed as Competent as C or Not yet Competent as NYC (100% to pass). The learner must pass BOTH parts of the Test in order to be issued with the certificate of successful completion and or safety pass/card. Failure to pass either of the tests shall render a "Fail" for WT and "Not Yet Competent" for PP outcome for the learner and he must then re-attempt the course and tests.

Funding & Claims

1. Skill future credit/funding available

-All Singaporeans aged 25 and above can use their \$500 SkillFuture Credit from the government to pay for a wide range of approved skills-related courses. visit the SkillsFuture Credit website (www.skillsfuture.sg/credit) to choose from the courses available on the Training Exchange course directory
