

WSH Coordinator Refresher Training(WCRT)

For Whom

The WSH Coordinator Refresher Training is intended for WSH coordinators in **(Construction, Process, Manufacturing, Marine & Transport & Storage)** to have essential and updated WSH knowledge and skills to competently perform their duties.

Entry Requirement

Have completed the Advanced Certificate in Workplace Safety and Health (Level B) and possess a valid Level B Certificate.

Course Overview

The WSH Coordinator Refresher Training helps WSH Coordinators better understand their roles and responsibilities, and provide useful information on how they can manage worksite safety more effectively and efficiently. Participants also get the opportunity to discuss past incidents, and what they, as safety professionals on the ground, can do to prevent a similar recurrence.

To enroll for the courses the learners are requested to scan the below QR Code and complete the registration process.
