Certificate in Supervision of Metal Scaffold Erection Course.

Key Person In charge

Mr. Monish V (General Manager - Corporate Support Division)

Class Size

Maximum 12

Facilitator/Learner Ratio

Theory Lesson = 1:12 max

Practical lesson= 1: 6 max

Theory Assessment = 1:12 max

Practical Assessment = 1:6 max (if exceeds 6 Learners, Assessor: Learner ratio is 2:12)

Course Attendance

100% Attendance

Supervise Metal Scaffold Erection (SMSE)

Assessment Advice

2 hours of written test (WT) comprising 30 multiple choice questions (MCQ), fill in the blanks,

short/long questions and 4 hours of Practical Performance (PP). The passing mark for WT is 65% while for PP, learner will be assessed as Competent as C or Not yet Competent as NYC (100% to pass). The learner must pass BOTH parts of the Test in order to be issued with the certificate of successful completion and or safety pass/card. Failure to pass either of the tests shall render a "Fail" for WT and "Not Yet Competent" for PP outcome for the learner and he must then re-attempt the course and tests.

Course Fee

S\$806.60

Funding & Claims

Skill future credit/funding available
SFC:

-All Singaporeans aged 25 and above can use their \$500 SkillFuture Credit from the government to pay for a wide range of approved skills-related courses. visit the SkillsFuture Credit website (www.skillsfuture.sg/credit) to choose from the courses available on the Training Exchange course directory

Mandatory adoption of e-attendance via SingPass from 1 October 2023: As per the SSG regulation we are introducing "e-attendance via SingPass," for participants applying for funding. To ensure a smooth process, please verify your SingPass app access before attending the course. Kindly note that manual attendance submissions will not be accepted for funding invoices. Thank you for your cooperation.

SkillsFuture Singapore Hotline: For enquiries relating to skills, training and portal issues, please contact SkillsFuture Singapore at 6785 5785
