

Confined Space Management (CSM)

For Whom

- Individual who intend to become a confined space safety assessor
- Workplace Safety and Health (WSH) professionals such as WSH Coordinators, Officers and Auditors
- Occupational Hygiene (OH) professionals such as OH technicians etc.

Entry Requirement:

Participants must fulfil both the requirements A & B

(A) WSH Skills & Knowledge equivalent to Certificate in WSH (Completed at least any one of the course SCW / SMW / SWCSO / SWSHPP / SSSC)

(B) 3 years of relevant working experience in operations and co-ordination of safety work

Course Overview

The course covers basic principles in working within/around confined space. It includes the knowledge and skills for the use of appropriate gas testing equipment and methods to obtain representative results for the assessment of atmospheric condition in confined space for safe entry and work. The skill and knowledge covered will enable the learners to be appointed as confined space safety assessors under the relevant regulations.
