

# CERT REFRESHER TRAINING (CERT - TIER 2 & 3)

## For Whom

- The CERT Refresher Training (CERT - Tier 2 & 3) is intended for individuals who have previously completed the corresponding CERT (Company Emergency Response Team) courses. This includes members who are part of Tier 2 and Tier 3 response teams within their organizations.
- The refresher training is specifically designed to help these trained responders maintain their readiness, refresh essential emergency response knowledge and skills, and stay up to date with the latest procedures, guidelines, and regulatory requirements.

## Entry Requirement

"To enrol in the CERT Refresher Training (CERT - Tier 2 & 3), participants must meet the following criteria:

### Completed Initial CERT Training:

Participants must have successfully completed the relevant Tier 2 or Tier 3 CERT course prior to attending the refresher. Proof of certification may be required upon registration.

### Active CERT Member:

The course is intended for personnel who are currently appointed as part of their organization's Company Emergency Response Team and are actively involved in emergency preparedness and response activities.

### Physically Fit for Practical Activities:

As the course includes hands-on firefighting drills, equipment handling, and scenario-based exercises, participants should be medically and physically fit to perform practical tasks, including the use of SCBA and other emergency equipment.

## Course Overview

CERT Refresher Training (CERT - Tier 2 & 3) course is designed for existing Company Emergency Response Team (CERT) members to refresh their knowledge and practical skills, ensuring a confident and effective response during emergencies. It serves to reinforce critical competencies aligned with SCDF regulations and organizational emergency response protocols.

# CERT REFRESHER TRAINING (CERT – TIER 2 & 3)
